

## **President Chain Store Corporation Environmental Policy**

PCSC is dedicated to becoming the best retailer, providing the most convenient lifestyle services, and fulfilling our responsibilities as a corporate citizen. To this end, four task forces of “Plastic Reduction,” “Carbon Reduction,” “Food Waste Management” and “Sustainable Procurement” under the Environmental Group of the Sustainable Development Committee have been chosen to take charge of ESG policies, systems, or management approaches, as well as proposing and formulate concrete action plans regarding various environmental aspects. PCSC’s commitments are as follows:

- We comply with environmental protection laws and regulations and prohibit any behavior that may harm the environment.
- We continue to improve our environmental performance as well as our surrounding environmental quality.
- We cherish resources and increase recycling and reuse based on the principle of making the most out of resources.
- We endeavor to reduce the amount of waste based on the concept of pollution prevention.
- With consideration to the environmental impact of our products and services in each phase of the life cycle from R&D, design, manufacturing, packaging to delivery, we reduce resource consumption and increase the efficiency of resource use.
- We gradually build up an eco-friendly value chain, and take environmental aspects into consideration when selecting suppliers, developing new projects, and making merge and acquisition decisions.
- We care about community development and manage sustainable relationships with local communities.
- In terms of promoting environmental education, we continue to share environmental protection concepts with employees and customers, as well as taking actions to protect the environment together.
