Sample Name : "NESTLE" KITKAT MINI RICH MATCHA
JAN code : 4902201179973
Received date : February 6, 2023
Assay date : February 7, 2023
Survey Equipment : Germanium semiconductor detector

In this report, the sample, which was submitted by the applicant, has been accurately examined by our laboratory and the results are as follows:

Results of Measurement

| Nuclide | Result | Limit of detection |
|-----------------|--------------|--------------------|
| I-131 | not detected | 10 Bq/kg |
| Cs-134 | not detected | 5 Bq/kg |
| Cs-137 | not detected | 5 Bq/kg |
| Cs-134 + Cs-137 | not detected | 10 Bq/kg |
